About Us

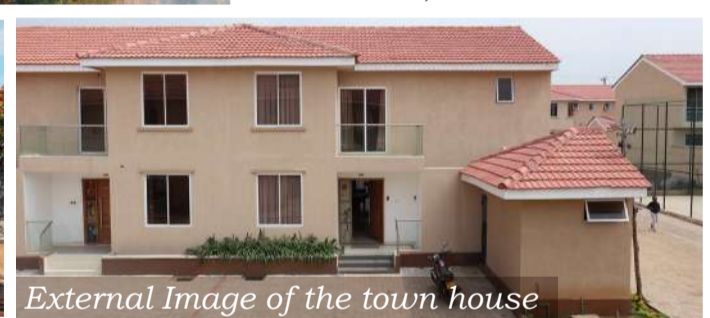

Impala Developers is a real estate division of the Impala Group of Companies. We aim to integrate value for money and exquisite quality during all our project developments. Having completed two projects; Rongai Dreams Apartments and Impala Dreams Maisonettes, we now introduce Impala Gardens Townhouses. This is a development comprising of 3 and 4 Bedroom Townhouses with a DSO located off Gataka Road. This development is ideal for someone looking for a peaceful environment to raise a family or for investment purposes. Impala Developers has been known to deliver on what they promise!

Nearby Facilities

Impala Gardens is situated in the quiet, serene and secure neighborhood of Gataka Road just a few meters from Barizi Gardens. All the major amenities are within reach including:-

- Schools,
- Supermarkets,
- Hospitals,
- Recreational centres.

Developed in this serene and fast developing area, Impala Gardens is a must own project. The estate welcomes you to exquisitely manicured lawns and a magnificent layout. Both house designs have incorporated style and functionality giving it a feel of warmth and coziness.

Construction status as at December 2024

The entry leads you to a well lit living and dining areas which opens out to a splendid garden ideal for resting and enjoying barbeque over the weekends. The kitchens are fitted with high quality cabinets. There is a balance and space for each room and it's function.

The 4 Bedroom comes with a guest bedroom on the ground floor level while the rest of the bedrooms are upstairs. For the 3 Bedroom unit, all the bedrooms upstairs.

The master bedrooms in both designs are ensuite with a private balcony.
